

TOWN OF GLEN ST. MARY

MINUTES

September 19, 2023

The Town of Glen St. Mary Council met in a budget workshop with the following members present:

Mayor Juanice Padgett
Councilman Andrew Vetter
Councilwoman Lola Chandler
Councilwoman Diana Reneau
Councilman Terry Clardy

Also present:
Town Attorney, Jon Bense
Assistant to the Mayor, Todd Norman
Town Clerk, Christy Linster

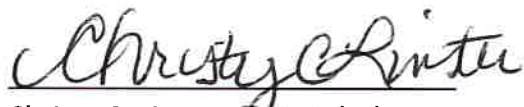

Note: These meeting minutes are a summarized version of the actual discussions at the meeting. These are not verbatim transcripts.

The purpose of this meeting was to further discuss the 2022/2023 Proposed Amended Budgets as well as the 2023/2024 Proposed Budgets. Mayor Padgett went through each individual budget asking if there were any questions. There were no questions related to the budget, due to the fact they were each previously discussed in the prior budget workshop.

Mayor Padgett explained the monies for the CDBG-NR will not cover as many blocks are originally anticipated. The DEP grant however, will pick up where the CDBG-NR grant stops. Between the two (2) grants, the funding will cover all 4 blocks; lots 28, 29, 30 & 31.

Mayor Padgett read an email received from Town Engineer Tim Norman, in reference to doing the sidewalk and sewer expansion projects at the same time, as was suggested at a prior meeting. Mr. Norman stated we do not want two contractors working in the same area at the same time. He said we could start the sidewalk project north of the railroad tracks while the other contractor is completing the sewer project south of the railroad tracks, if desired. Mayor Padgett explained the deadline for the sidewalk project completion is September 30, 2024.

The workshop was adjourned at 7:00 p.m.

Christy C. Linster, Town Clerk
